# Killing Hitler

👁 47 ✓ 0 ⭐ 2

## Chapter 1 by Will Coloff

The man who attempted to kill Hitler on 20 July 1944 was Claus Schenk Graf von Stauffenberg, Claus for short. He had snuck a bomb into a room where Hitler would be giving a speech but it had exploded 13 minutes after Hitler left early, this book will be about the attempt to kill him (this is not realistic so you can go about this in any way BUT it must just be technology from 1944)

Colonel Claus Schenk Graf von Stauffenberg sat in his small room, thinking to himself, "If Hitler never came to power, my wife wouldn't be dead!" He kept thinking this until he decided... He had to kill Hitler.
